

## ERASMUS MUNDUS SCHOLARSHIP CERTIFICATE

Ref: 2021.EPICO.M1.17

Mr. HASAN Md Abid is accepted as a student of the Erasmus Mundus Master's programme Electric Vehicle Propulsion and Control (E-PiCo) for 2021-2023 and holder of an Erasmus+ Programme Country scholarship (Category B) with a maximum total amount of €40,000 divided into 4 different types of contribution:

**1. Contribution to participation costs : €9,000**

The contribution to participation costs includes the tuition fees, library and laboratory costs, full insurance coverage and any other mandatory costs related to the students' participation in the Master. This amount is managed by the coordinator and the host institutions concerned.

**2. Contribution to travel costs : €6,000**

Half of the maximum amount of the contribution to travel costs is received by the student at the beginning of each academic year.

- €2,000 per year for travel costs for scholarship holder resident of a Partner Country whose location is situated at less than 4,000 km from the EMJMD coordinating HEI
- €3,000 per year for travel costs for scholarship holder resident of a Partner Country whose location is situated at 4,000 km or more from the EMJMD coordinating HEI.

**3. Contribution to installation costs : €1,000**

The contribution to installation costs is received by the student at the beginning of the first academic year, in September 2021: €1,000.

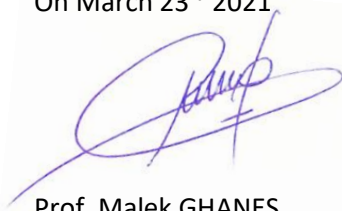

**4. Contribution to subsistence costs: €24,000**

The contribution to subsistence costs is received every two months by the student: €1,000 per month.

The payment of the scholarship is subject to the compliance with the rules of the Erasmus+ Programme by the student and to the student agreement signed by the student and the coordinator.

The students commit themselves to respect the national regulations of each country including the payment of mandatory insurances, etc.

On March 23<sup>rd</sup> 2021

Prof. Malek GHANES

Coordinator of the E-PiCo project
